CHAOS

Communication, Help, Advisement, Orientation, and Service, or CHAOS for short, is clearly one of the most beneficial service organizations at Armstrong. All CHAOS leaders are students who are selected in the spring of each year to assist in the orientation of Freshmen in the fall. The leaders then undergo hours of training before they see the first freshman. Unlike many schools, Armstrong's leaders are volunteers who achieve personal satisfaction by making other students less apprehensive about their first year of college. This year's leaders were Julie Simmons, Elizabeth Rogers, Carla English, Tracey Jones, Robin Robinson, Bill Kelso, Harold Oglesby, Pratt Summers, Lee Harrell, Jeff Gulle, Mo Paglia, Ann O'Brien, Lori Johnson, Fatima Sanders, and Bob Long. Advisors were Vice-President Buck, Mack Palmour, Terri Liles, Lynn Benson, Al Harris, and Ellen Shawe.

Mo takes a dip in the pool.

Harold stops to pose.

Get in line guys!

CHAOS

Wow! I didn't know Al Harris had such a great body!

1986 is the first year in which those students who are living in the dorms had a chance to get a preview of what life in the dorms is like. The last CHAOS session of the year allowed incoming freshmen and their CHAOS leaders to spend the night together at the dorms. Besides the regular CHAOS agenda the leaders and their groups were treated to a cookout at the beach. The over-night session was such a success that there will be several of them in the summer.

Here's looking at you kid.

Boy, that pizza sure looks good!

CHAOS

For your eyes only!

Watch out Paige!

Nice shot Chuck.

CHAOS

Now that's a motley crew!

Who? Me?

This sure beats calculus.

ARMSTRONG FEST

Everyone gathered for sun, fun, and laughs at this year's Armstrong Fest. The purpose of the festival was to raise money for the student scholarship fund. A total of $1500.00 was raised from the event. Many of Armstrong's faculty and students participated in the festival. The weekend was filled with such events as the road race, softball, volleyball, and tennis tournaments. Armstrong's sororities also helped out in the festival by working in activities such as the dunking booth and face painting. The children from U.S.A. Gymnastic Academy performed before the crowd. The day was full of great food and fun! The festival's corporate sponsors were C & S Bank, WTOC, and Coca-Cola. Coca-Cola provided the Armstrong Fest T-shirts that were sold for five dollars. Craig Harney was the chair person of Armstrong Fest, and he hopes to make the festival an annual event.

Having fun guys????

Alpha Gamms look on as V.P. Buck gets dunked again.

Karl Grotheer was in charge of grilling hamburgers for the refreshment stand. Watch it Karl. They're burning!

Pony rides were a favorite of the kids.

PLAYFAIR

Right: We have got to stop meeting like this!

Below: T.D. on one. Break!

"I think I need a standing ovation!!", someone would shout. The next thing you know that person would be hoisted into the air by a crowd of people. That was just one of the strange but fun things taking place at Playfair. Playfair, which is sponsored by C.U.B., is a group participation activity that encourages meeting new people and making new friends. Playfair has been a great success at ASC. It is an experience you will never forget.

Where did they find this bunch????

Left: Come on everybody, Playfair.

Shout it out Bill.

Learn to tune in to your partner.

I wouldn't have missed this for the world.

CHEAP TRICK

It was the night of October 26, and the A.S.C. Fine Arts Auditorium began to fill with people. At 8:00 p.m., the lights dimmed and Bad Boy stormed the stage to give an outstanding, hard-hitting performance.

Next on the agenda was Cheap Trick, a popular rock act who is credited with such hits as "Dream Police" and "I Want You To Want Me." The concert also included some more recent material including the song "Tonight It's You," as well as songs from their new album, The Doctor. Robin Zander, lead singer, brought the crowd to its feet, and Rick Nielson, lead guitarist and comedian of the group, awed many with his immense guitar collection and playing ability. Bun E. Carlos, the driving beat behind the drums, and Jon Bryant, bass guitarist, did much to contribute to the powerful, livewire show.

The auditorium rocked for almost three hours, and Cheap Trick played through two standing encores. The success of the concert can be attributed to the Concert Committee of the College Union Board and to the support of the fans who attended the show.

AWAY FROM HOME

For the second year Armstrong State College has offered on campus housing. Although the dorms are not quite like home they have a lot to offer to students of ASC. They have an excellent food program (right guys) and offer a friendly living environment. As you can tell from the next few pages dorm life is very unique. Good times abound as do lasting friendships.

Yes Mom, I brought plenty of clean underwear.

Take off you hosers!

THE BIG SOUTH???

PIRATE

What more could a coach ask for than seven consecutive winning seasons? Well . . . perhaps . . . eight. Coach Joe Roberts is hard at work once again instructing his players on the finer points of the game and hoping to field a team that will make ASC proud. Over the past seven seasons ASC baseball has been a bright spot in the athletic program and this year, should be the first sport at Armstrong to make Division I. schools stand up and take notice. Although only three starting players return, the Pirates will be strong thanks to solid recruiting. Top schools on the 1987 schedule include North Carolina, South Carolina, and Georgia Tech.

Coach Joe Roberts makes a heads up play and sends the runner home.

SOCCER

A flying kick for a goal.

The 1986 Pirate soccer team had a rebuilding season this year finishing with a record of 1-13. Coach Aenchbacher hopes this year has given returning players valuable experience for next year as they hope to give rival teams all they can handle.

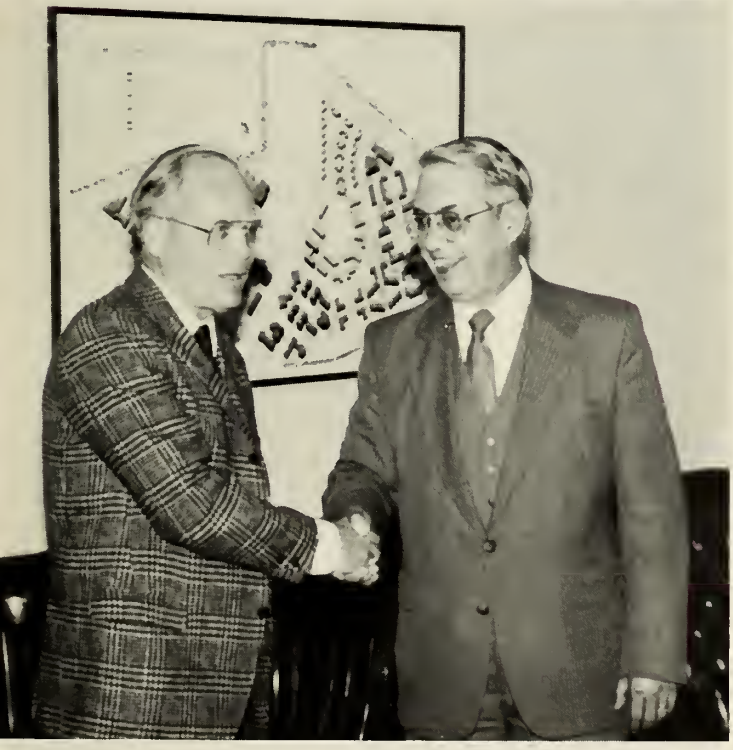
ASC APPOINTS

Not only did the 1986-87 school year mark a change in the level of competition that ASC competes in, but it also marked a change in leadership for the Athletic Program. Due to personal reasons, basketball coach Renny Bryner resigned and the Pirates were to play under first year coach Raleigh Pastrick. Bryner (right) shocked the community again within the next few months by resigning as Athletic Director. After several months of deliberation, President Burnett named Dr. John Brewer as new A.D. effective July 1. Dr. Brewer will soon make some crucial decisions such as who will coach the running Pirates next year and also whether Armstrong will remain in Division I.



NEW A.D.

ARMSTRONG

The year 1986-87 marked Armstrong's first year in NCAA Division I. As a young program you find that the road trips abound and the competition is fierce. No one knows this better than first year coach Raleigh Pastrick. The steady turmoil off the court only magnified the Pirates performance on the floor. Facing top teams such as Clemson, Auburn, and Georgia, Armstrong fans caught a glimpse of just how tough the first years will be. However, with solid recruiting and experience ASC should become a respectable opponent and a contender for The Big South Conference title.

DIVISION I

VOLLEYBALL

1986 was the first year that Armstrong State participated in intercollegiate women's volleyball. The team was put together by coach Hansen who was experiencing his first coaching assignment. This year's team compiled a record of only 2-12, but gained valuable experience. Next year promises a much more successful season.

MEN'S TEAM

"The momentum we have gained this year will carry us to success next year", comments Coach Frank Clancy on the 1986 men's Cross-Country team. The striders took first place in two meets this year and finished with a record of 20-32. Leading the way for the Pirates were Jim Brown and Erik Evans who were supported by the solid running of Otis Ziegler and Kevin Larrimore.

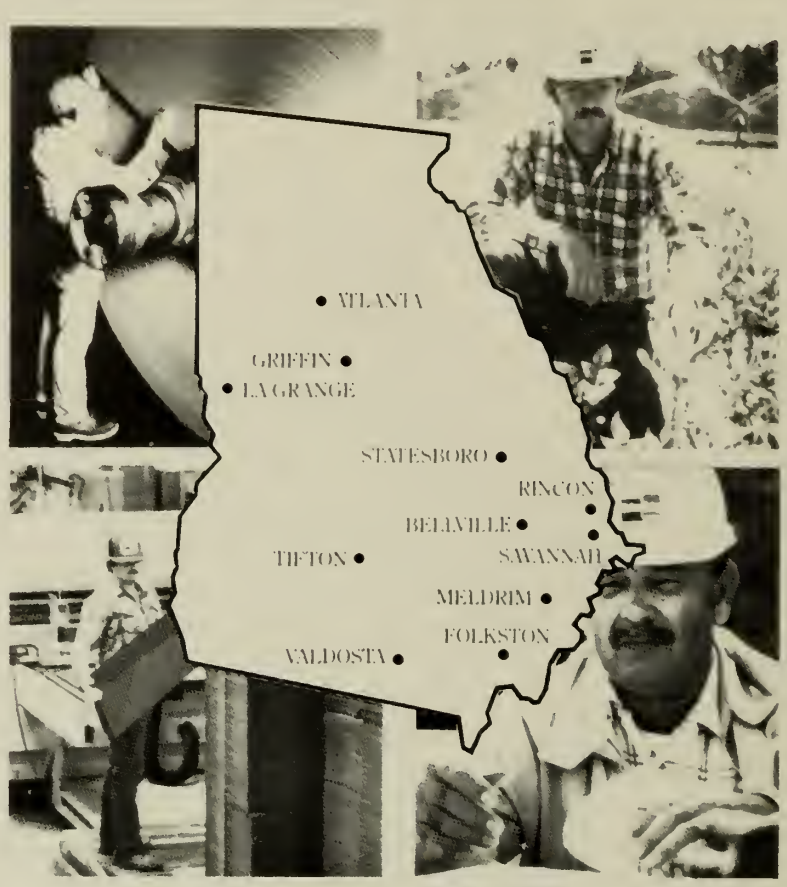
Union Camp in Georgia



In 1935 Union Camp Corporation, then known as Union Bag and Paper Corporation, helped change the course of the paper making industry when it began construction of a pulp and paper mill in Savannah, Georgia. This mill marked the beginning of a major shift, by the paper industry, to the use of southern pine. Ever since that time, Union Camp has continued to grow with the Peach State.

Today, Union Camp, an integrated forest products company, employs over 5,000 people at its various sites in Georgia, making it one of the state's largest employers. Company operations in Georgia produce a wide variety of paper, packaging, chemical and building materials. In addition to manufacturing, Union Camp conducts extensive forest management operations and a real estate development project within the state.

Union Camp ranks in the top half of the Fortune 500, with annual sales of approximately $2 billion and assets of more than $2.5 billion.

THE 1987 GEECHEE PRESENTS COLOPHON '87

Volume 47 of the Geechee was printed by Jostens Printing and Publishing Company of Clarksville Tennessee. Danny Scott was our company representative.
The press run was 800 copies.
The paper stock was 80 pound enamel gloss.
Endsheets are four color processed photographs.
The cover is embossed with gold metal lay and has a black rub applied with a Spanish grain background.
The book is 13 signatures or 208 pages of 8½ x 11 inches.
Type style is Lydian.
Class portraits were taken by Windsong Photo Studio in Savannah Georgia.
The 1987 Geechee was produced by full-time students at Armstrong State College and funded with Student Activities Fees.

EDITOR'S MESSAGE

At the end of last year when I was given the honor of being named as editor of the 1987 Geechee, I was both excited and scared. I was terrified that I would not be able to accomplish the task but at the same time I was confident that my experience and enthusiasm would carry me through the tough times. Now, one year later, I offer to you the 1987 Geechee in hopes that you will agree that myself and the staff have provided you with the best possible yearbook.

It was the goal of this year's staff to create a book that reminds us of the past year, both good times and bad. On a sad note many of us lost friends and relatives to death. But on the other hand, we have shared many good times with our new friends and have made many special friendships that will last forever.

If I were to take all the credit for this book it would be a crime. Without dedicated staff members and photographers this book would not exist. I would like to thank also, Al Harris, Vice-President Buck, Mack Palmour, Ellen Shawe, Lynn Benson, and Terri Liles for building my confidence and for enhancing my ability. I also thank all those people who kept reminding me that "Patience is a virtue." I apologize for the moodiness at deadline time, but impatience often quickens creative ability.

Most importantly, I thank you the student, for without you the 1987 Geechee would mean absolutely nothing.

— Bob Long
